

SS8 Time Change Instruction Guide:

- 1) Press and release the [MODE] button until the word 'YEAR' comes up on the display.
- 2) Press the [MODE] button two more times.
- 3) To change your ON time, press the [HOUR+/YEAR-] button to change the hour. Press the [M+/ZONE+/YEAR] button to change the minutes.
- 4) Press the [NEXT/ON/OFF] button one time.
- 5) To adjust the OFF time, press the [HOUR+/YEAR-] button to change the hour and the [M+/ZONE+/YEAR+] to change the minutes.
- 6) Press the [NEXT/ON/OFF] button one time.
- 7) Press the [MODE] button one time. This will put you in AUTO mode with the current time displayed.
